

ELECTRIC UTILITY INDUSTRY
SUSTAINABLE SUPPLY CHAIN ALLIANCE

About the Alliance

We also have over 50 Supplier Affiliate Members representing small, medium, large, product, service and diverse organizations covering most of our key spend categories.

Value of Supply Chain Sustainability

Anthesis Group Business Value Framework

Sample Supplier Practices – Xerox and Entergy Print Smart Program

- Saved aprox. \$1-3M per anum
- Better performance (duplex, secure, ...)
- Greener printing
 - Reduced print volume alone resulted in
 - 258 tons of wood saved
 - Reduction of 1,855,008 gallons of waste water
 - 2727 millions of BTUs reduced
 - Reduction of 511,259 lbs of GHG Emissions

Sample Supplier Practices – Davies Office Remanufactured Furniture and Con Edison

- Average savings of 40-60% vs. 'new'
- Environmental footprint ~20% vs. 'new'
- Operational benefits
- Diverted 120 tons of office furniture from landfill
